1. Mr. Matt Harvey in Congressman William S. Mailliard's (R., Calif.) office called and requested information on [REDACTED]

[REDACTED] The Congressman is interested in [REDACTED] case and would like to know whether we are in possession of any information on him. [REDACTED] (CI Staff) is checking on this.

2. [REDACTED] (EE Division) called to say that they were interested in [REDACTED] (Ben Mandel called us on [REDACTED]). This information was passed on to Mandel.

3. Miss Jordan in Congressman Roman C. Pucinski's office (D., Ill.) called to inquire for information on the publication Inform. Miss Jordan was advised that while, of course, we were aware of this organization headed by Ullus Amoss, we were not in a position to evaluate the organization. However, Miss Jordan was referred to the Folliard articles in The Washington Post as being one person's impression of the organization. Miss Jordan was most appreciative of this information.

4. Talked with Joe Davis, Chief Clerk of the Senate Judiciary Committee concerning S. 355, a bill to amend the provisions of the Code to prohibit the use of the names of Federal agencies or organizations by collection agencies. It was believed that with some minor revisions this bill might accomplish our purpose in prohibiting the use of the Agency's name or initials. Mr. Davis said that it was very doubtful that this bill would move and that they had been quite unsuccessful in any similar previous efforts of this type (the primary reason being that Congressmen have too many private organizations who would be opposed to such legislation.)

5. Talked with Julius Cahn on the staff of the Senate Government Operations Subcommittee on Reorganization giving him the full text of Khrushchev's comments about Senator Humphrey in his final address to the 21st Party Congress. The FBI's supplement containing this speech will be sent to Mr. Cahn.
